

PUTTING THE PRO IN PROBATION

Rethinking Standard Probation Orders

Percentage of Detained Youth
by Offense Type

Nearly
1 out of 4 youth
are **detained** for
**technical
violations**

Average Time

- 13** days spent in **detention** for a technical violation
- 55** days **committed** in a **public facility** for a technical violation
- 103** days **committed** in a **private facility** for a technical violation

Probation is the most common disposition youth receive when adjudicated delinquent. Though intended to assist youth on a path to success, probation can lead to severe consequences as a result of technical probation violations, including incarceration.
