It's an open secret that countless children are denied their constitutional right to an attorney in juvenile court or receive such inadequate representation that it provides little protection. Today, the @National Juvenile Defender Center released a report detailing the crisis and a blueprint for reform. Read the report, share it with friends, and join NJDC in demanding rights for youth in court! #DefendChildren [Paste link: njdc.info/defendchildren]

Youth of color face the dual injustices of having their civil rights and due process rights violated in the juvenile court system. A new report by the @National Juvenile Defender Center details the crisis—and how we overcome it. #DefendChildren [Paste link: njdc.info/defendchildren]

Children across the country are routinely denied access to effective lawyers in juvenile court. But, in some places, defenders and advocates are finding creative solutions to ensure children's rights are fulfilled. Learn about these innovative programs in the @National Juvenile Defender Center's new report, *Defend Children: A Blueprint for Effective Juvenile Defender Services*. #DefendChildren [Paste link: njdc.info/defendchildren]

Access to justice IS access to counsel. Read the @National Juvenile Defender Center's new report detailing how children in America are denied their constitutional rights in court—and how we overcome the crisis. #DefendChildren [Paste link: njdc.info/defendchildren]
